INDEPENDENT AUDITORS' REPORT

Board of Trustees Museum of New Mexico Foundation

Opinion

We have audited the accompanying financial statements of Museum of New Mexico Foundation, (the Foundation) which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to present fairly, in all material respects, the financial position of the Foundation as of June 30, 2023 and 2022 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period-of-time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Museum of New Mexico Foundation (the Foundation) is a not-for-profit corporation organized generally for any charitable, educational, or scientific purpose in the fields of history, art, Indian arts and culture, folk art, archaeology and science; including the furtherance of the programs and purposes of specific divisions of the Museum of New Mexico System (the Museums). Divisions supported include the New Mexico History Museum/Palace of the Governors, the Museum of Art, the Museum of International Folk Art, the Museum of Indian Arts and Culture, Historic Sites, and the Office of Archaeological Studies.

The Foundation accomplishes its purpose with revenue and support received from memberships; contributions; federal, state and private grants; sales of arts, crafts and publications at five retail shops located at various Museums' facilities in Santa Fe, New Mexico; licensing agreements, and distributions from endowments.

Cash and Cash Equivalents

For purposes of financial statement presentation, all cash depository accounts and highly liquid investments with initial maturities of three months or less are classified as cash and cash equivalents. Cash and cash equivalents include cash on hand and cash in banks. Money market accounts held with a brokerage firm are included in investments.

Museum Advances

The Foundation makes certain advances to the Museums that are expected to be repaid from proceeds of special events and other fundraising activities. No provision for uncollectible advances has been made since the Foundation holds funds designated for the Museums that exceed the advances. At the discretion of the Board of Trustees, the Foundation may designate some portion of the advances as future support or grants to the Museums.

Investments

Investments are carried at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Realized gains and losses are recorded on a specific identification method upon the sale of investment assets. The fair value of investments is subject to ongoing fluctuation. The amount ultimately realized upon disposition may differ from the amounts reported in these financial statements.

Museum Shop Inventory

Inventory is stated at the lower of cost or market. Cost is determined on a specific identification basis.

Property and Equipment

Property and equipment are stated at cost. Donated property is recorded at estimated fair value as of the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as without donor restrictions support. Depreciation is provided for all depreciable assets on a straight-line basis over the estimated useful lives of the assets and is allocated to each functional category based on utilization. Depreciation expense for the years ended June 30, 2023 and 2022 was \$104,464 and \$112,632, respectively. The Foundation capitalizes all acquisitions greater than \$1,000 and all computers, regardless of cost.

Collections - Works of Art

Donated works of art are recorded at estimated fair value at the date of donation. If purchased, items accessioned into the collection are capitalized at cost. Gains and losses on the deaccession of the collection items are classified on the statements of activities and changes in net assets as without donor restrictions or with donor restrictions support depending on donor restrictions, if any, placed on the item at the time of accession. No depreciation has been recorded for these works of art. Capitalized works of art that were donated to the Foundation was \$219,412 and zero in 2023 and 2022, respectively.

Basis of Presentation

The financial statements of the Foundation have been prepared in accordance with accounting principles generally accepted in the United States of America, which require the Foundation to report information regarding its financial position and activities according to the following net asset classifications:

- <u>Net assets without donor restrictions:</u> Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.
- <u>Net assets with donor restrictions:</u> Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage-of-time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities and changes in net assets.

Revenue Recognition

Support from contributions, memberships, grants and special events is recognized when awarded, earned, or when expenditures have been incurred in accordance with provisions of the contributions and special event. Merchandise sales revenue is recognized at the point of sale. Monies received but not earned during the fiscal year are recorded as deferred revenue.

Donated Services

The Foundation exchanges services from corporate sponsors for Museum memberships. Donations of advertising, lodging, photography, catering, and other services. A substantial number of volunteers have donated services to the Foundation's Museum shops. No amounts have been reflected in the accompanying financial statements for donated volunteer services, as such services do not meet the criteria for recognition.

Functional Expenses

The Foundation reports it expenses according to five functional classifications: 1) Funding to the Museum System for programs, exhibits and education; 2) Development and membership services for the Museum System; 3) Financial support services and advocacy for the Museum System; 4) Management and general; and 5) Fundraising. Common costs are allocated among the classifications on the basis of actual direct staff resources applied to the various operational areas within the Foundation.

Advertising

The Foundation and the Museum shops incur advertising costs related to the Museum shops, special events, and membership development. These costs are expensed as incurred. Advertising expense totaled \$17,396 and \$20,227 for the years ended June 30, 2023 and 2022, respectively.

Concentrations of Credit Risk

Cash and investment balances are maintained at various financial institutions. Accounts at each institution may at times exceed federally or commercially insured limits. The Foundation has not experienced any losses from, and believes it is not exposed to, significant credit risk from these deposits.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Fair Value Measurements

The fair value framework prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets for identical investments that the Foundation has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly. These inputs may include quoted prices for the identical instrument in an inactive market, inputs other than observable quoted prices, or inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Income Taxes

The Foundation is a nonprofit charitable corporation and has been recognized as tax-exempt under Section 501(c)(3) of the Internal Revenue Code. The Foundation has adopted accounting principles generally accepted in the United States of America as they relate to uncertain tax positions and has evaluated its tax positions taken for open tax years. Management believes that the activities of the Foundation are within their tax-exempt purpose, and that there are no uncertain tax positions that require disclosure or recognition in the financial statements.

Reclassifications

Certain reclassifications have been made to the 2022 financial statements to conform to the 2023 presentation. These reclassifications have no impact on the Foundation's change in net assets.

New Accounting Standards

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842), which supersedes existing guidance for accounting for leases under Topic 840, *Leases*. The FASB also subsequently issued the following additional ASUs, which amend and clarify Topic 842: ASU 2018-01, *Land Easement Practical Expedient for Transition* to Topic 842; ASU 2018-10, *Codification Improvements* to Topic 842, *Leases*; ASU 2018-11, *Leases* (Topic 842): *Targeted Improvements*; ASU 2018-20, *Narrow-scope Improvements for Lessors*; and ASU 2019-01, *Leases* (Topic 842): *Codification Improvements*. The most significant change in the new leasing guidance is the requirement to recognize right-to-use (ROU) assets and lease liabilities for operating leases on the statements of financial position.

The Foundation elected to adopt these ASUs effective July 31, 2022 and utilized all of the available practical expedients. The adoption did not have a significant impact on the financial statements of the Foundation.

Subsequent Events

The Foundation has evaluated all events occurring subsequent to June 30, 2023 through November 1, 2023, which is the date that the financial statements were issued and does not believe that any events occurring during this period require either recognition or disclosure in the accompanying financial statements.

NOTE 2 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Foundation's financial assets as June 30, 2023 and 2022 available for general expenditure within one year of the balance sheets date:

| | 2023 | 2022 |
|-------------------------------------|--------------|---------------|

NOTE 2 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS – CONTINUED

| | 2023 | 2022 |
|--|----------------------|----------------------|
| Less amounts not available to be used within one year | : | |

| Financial assets available to meet cash needs for general expenditure | <u>\$ 13,842,198</u> | <u>\$ 11,834,430</u> |

The Foundation manages its cash flow and liquidity on an ongoing basis to ensure that sufficient funds are available to cover current operational needs. The Foundation's goal is generally to maintain a level of financial assets sufficient to cover one year of operating expenses.

The Foundation's endowment is subject to an annual spending rate as discussed in Note 14. Income from donor-restricted endowments is restricted for specific purposes. Donor-restricted endowments are not available for general expenditure. Certain assets are designated by the Board for endowments. Although the Foundation does not intend to spend from this board-designated fund (other than amounts appropriated general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

NOTE 3 – UNCONDITIONAL PROMISES TO GIVE

Unconditional promises are recognized as revenue in the period received and are recorded as without donor restrictions or with donor restrictions support, depending on the existence of any donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on pledges is computed using the risk-free interest rate applicable to the year in which the promise is received in addition to a credit risk factor determined by management. As of June 30, 2023 and 2022, the effective discount rate is 2%. Amortization of the discount is included in contribution revenue (designated gifts and other unconditional promises to give). The Foundation has provided an allowance for doubtful accounts based on anticipated collections.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 3 – UNCONDITIONAL PROMISES TO GIVE – CONTINUED

Collections of unconditional promises to give for each of the years succeeding June 30, 2023 and 2022, are expected to occur as follows:

| | | 2023 | 2022 |
|---------------------------------------|-----------|----------|-----------------|
| In less than one year | \$ | 396,407 | \$ 921,161 |

The Foundation was the beneficiary of two charitable remainder trusts. The trusts were created in fiscal years 2001 and 2006, respectively, and both are administered by outside parties. During 2021, the beneficiaries for both charitable remainder trusts died triggering the final payment terms. As a result, the Foundation has classified the estimated market value of the bequests, \$228,000 and \$2,959,595 as of June 30, 2023 and 2022, as bequests receivable and still outstanding in the accompanying statements of financial position.

NOTE 4 – CONDITIONAL PROMISES TO GIVE

The Foundation is the beneficiary of several bequests totaling approximately \$32,405,603. The bequests carry various levels of restrictions and have been calculated at fair value as of the date the bequest notice was received by the Foundation. Fair value was calculated based on Internal Revenue Service regulations. Associated revenue will be recognized when each of the respective estates is validated by the probate court and the final revenue totals are readily determinable.

NOTE 5 – INVESTMENTS

Investment activity for the years ended June 30, 2023 and 2022, is as follows:

| | 2023 | | | 2022 | | |
|------------------------------------|-----------|-------------|-----------|-------------|--|--|
| Investments, beginning of year | \$ | 28,956,724 | \$ | 31,651,562 | | |

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at June 30, 2022.

Money market funds: Valued at net realizable value which approximates fair value.

Mutual funds, equities and exchange-traded funds: Valued at the net asset value (NAV) of shares based on quoted market prices held by the Foundation at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 7 – PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30, 2023 and 2022:

| | 2023 | 2022 |
|---|---|---|
| Buildings Leasehold improvements Furniture and equipment Real estate Vehicles | \$ 1,701,747 1,506,090 698,365 222,033 19,646 | \$ 1,701,747 1,473,303 572,966 222,033 19,646 |

| Less accumulated depreciation | (2,197,358) | (2,088,345) |
| | <u>\$ 1,950,523</u> | <u>\$ 1,901,350</u> |

The leasehold improvements are primarily comprised of improvements made to the Museum shops.

NOTE 8 – PENSION PLANS

The Foundation provides a defined contribution pension plan covering substantially all full-time employees. Employees with a least one year of service who work at least 1,000 hours per year are eligible for coverage. The Foundation currently contributes 6% of covered employees' salaries. This percentage is subject to renegotiation by the Board of Trustees and the Foundation. Pension expense was \$106,520 and \$96,239 for the years ended June 30, 2023 and 2022, respectively. The Foundation also permits employees to make voluntary elective contributions into a separate defined contribution pension plan maintained by the Foundation. Both pension plans are administered by the Teachers Insurance and Annuity Association and College Retirement Equities Fund.

NOTE 9 – LINE-OF-CREDIT

The Foundation had an unsecured line-of-credit with a financial institution with a credit limit of \$2,500,000. The balance on the line was zero as of June 30, 2023 and 2022, respectively. The line matured in December 2022 and was not renewed.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 10 – PAYCHECK PROTECTION PROGRAM LOAN

On March 27, 2021, the Foundation entered into a Loan Agreement and Promissory Note (SBA Loan) pursuant to the Paycheck Protection Program 2 (PPP) under the recently enacted CARES Act administered by the U.S. Small Business Administration. The Foundation received total loan proceeds of \$327,167. The loan was scheduled to mature on March 27, 2022, carried a 1.00% interest rate, and was subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act.

The loan was forgiven in September 2021. Accordingly, the Foundation recorded contribution revenue of \$327,167 in 2022 which is included in other income on the statements of activities and changes in net assets. The Foundation has elected to account for this transaction as a conditional contribution, pursuant to Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-605, *Financial Statements for Not-For-Profit Organizations – Revenue Recognition*.

NOTE 11 - COMMITMENTS AND CONTINGENCIES

Leasing Arrangements

The Foundation leases retail space in the Museum's facilities for the operation of the Museum shops. Consideration is given to the Museum in exchange for the space as outlined in an updated MOU that was executed in December 2009. The Foundation provides annual program support to the Museum in exchange for the leased space. Such amounts are considered on an annual basis and are considered to more than cover the fair value of the leased space.

The Foundation does not record lease liabilities of ROU assets for leases with an initial term of 12 months or less, or those whose impact are insignificant to the financial statements. The Foundation leases certain equipment and storage space under operating leases that will expire through May 2028. Rental expense totaled \$21,099 and \$21,032 in fiscal 2023 and 2022, respectively.

Charitable Gift Annuities

Individuals have made irrevocable gifts, with donor restrictions, to the Foundation in the form of charitable gift annuities in exchange for rights to receive guaranteed quarterly or semi-annual payments from the Foundation. Payments are to continue for those individuals' lifetimes. The obligation is reported on the statements of financial position at the present value of the expected future payments. Although management believes the estimated liability is adequate, the actual liability may vary from the amount provided. As directed by the donor in the annuity agreement, upon the death of the annuitant, the amounts remaining in the annuity account may transfer from with donor restrictions net assets to either with donor restrictions or without donor restrictions net assets. Amounts may also remain restricted for purpose until the funds are expended as specified by the donor.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 12 – DESIGNATION OF NET ASSETS WITHOUT DONOR RESTRICTIONS

During 1991, the Board designated \$1,000,000 for the benefit of the Foundation and its continued support of the Museums. During 2002, the Board designated \$250,000 for the benefit of the State historic sites. During 2001, the Foundation's Board designated \$1,000,000 in endowment for the benefit of the four exhibiting units of the Museums. These amounts have been placed in endowments along with the associated earnings on them. The Board has designated and set aside certain cash and investments in the amount \$3,817,240 and \$4,817,240 for use by applicable individual divisions of the Museums at June 30, 2023 and 2022, respectively. These Board designated amounts represent funds that have been received by the Foundation for use by the Museums that will be disbursed to the Museums in the future.

NOTE 13 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restriction – perpetual in nature as of June 30, 2023 and 2022, are restricted to investment in perpetuity, the income from which is expendable to support the following:

NOTE 14 – ENDOWMENTS

The Uniform Prudent Management of Institutional Funds Act (UPMIFA) provides industry guidance to Foundations similar to the Foundation. The State of New Mexico adopted UPMIFA effective July 1, 2009. The Foundation has determined that certain board designated net assets and net assets with donor restrictions meet the definition of endowment funds under UPMIFA.

Endowment Investment and Spending Policies

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding for initiatives supported by its endowments while seeking to maintain the purchasing power of the endowments. In determining the prudent amount to distribute in a given year, the Foundation considers the donor's intent, the purpose of the fund as stated in the fund agreement, and relevant economic factors. The Foundation current spending policy with regards to its endowments is determined annually by the Board of Trustees. The Board is charged with the responsibility for the management of the assets of the endowment.

The investment policies establish a return objective through diversification of asset classes.

The Foundation endowment consists of approximately twenty individual funds established for a variety of purposes and includes both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Return Objective and Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve long-term return objectives within prudent risk constraints.

Spending Policy and Who the Investment Objectives Relate to Spending Policy

The Foundation has a policy whereby the Finance Committee may appropriate 4% to 7% of the average investment balance (4% distributed in 2023 and 2022) for each of the preceding twelve quarters to the operating budget regardless of whether the endowment earns that amount in a specific year. The Foundation will not distribute monies if the endowment value is below the original corpus. In establishing this policy, the Foundation considered the long-term expected return on its endowment. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as to provide additional real growth through new gifts and investment return.

NOTE 15 – MUSEUM SUPPORT AND TRANSACTIONS

The Foundation provided total funding of \$8,846,579 and \$6,196,816 in direct benefits to the Museums during the years ended June 30, 2023 and 2022, respectively. These amounts included distributions from the endowments, special events income, contributions specifically for the Museums and Federal, State, foundation and private grants. In addition, the Foundation incurred direct and indirect expenses in the amount of \$2,751,510 and \$2,237,604 for the years ended June 30, 2023 and 2022, respectively, in providing development services, membership services, financial services support, and advocacy for the Museums.

NOTE 16 - RELATED PARTY TRANSACTIONS

Various Board members donate to the Foundation in the form of contributions, unconditional pledges to give, annuities and bequests. Amounts are recorded at their net reliable value. Board members make donations for the Foundation in general (without donor restriction) or will donate to a specific program (with donor restriction – time or purpose restriction), or for the Foundation to hold in perpetuity (with donor restriction – perpetual in nature). All donations from Board members are deemed collectible at June 30, 2023 and 2022, respectively.

NOTE 17 – GRANTS

The Foundation receives grants from Federal, State, and Municipal entities, as well as from private sources. Grant revenue was comprised of the following for the years ended June 30, 2023 and 2022.
